**Thursday 10 March, 7.00 pm**

**“The EU – Why Trade Unionists Should  
Vote To Leave”**

**Renfield Conference Centre, 260 Bath Street,  
Glasgow G2 4JP**

Loss of sovereignty, privatisation, TTIP, attacks on wages, threats to peace – the EU has been a disaster for Britain, for the working class, and for trade unions. The coming referendum presents an opportunity to break free. Even if the TUC remains tied to the Brussels trough, we can make sure the real voice of British workers is heard. Come and discuss. All welcome.
